President's Report and Report on last months meeting:

(Thanks to Kim Bendall for her comprehensive report of the September meeting. Here are some of the highlights from that report.)

We had over 90 members and 6 visitors to our September meeting. All members enjoyed the return of our traditional afternoon tea- thanks to all who brought a plate.

- President John Lyon opened the meeting with an explanation that due to increasing costs of running the BGC the membership for ordinary members will be increased to \$15 from 1st October. New members will pay \$30 which includes the membership badge. Payment can be paid on-line or by the usual payment to the treasurer at the meeting in October.
- John also explained that our voting for a change in our constitution has now been confirmed by the Office of Fair Trading. So that we may have electronic voting in the event of not being able to meet as a group in person.
- John said that he hoped that the ceremony of digging the first Turf of the Anniversary Arbour may occur during the Festival weekend. Hopefully construction should be under way before Christmas.
- The new First Aid Kits are now available and we have 10 trained First Aid members.
-

In the absence of our guest speaker the three Amigos, Ken, Robin and Steve plus Yves Daniel provided an entertaining and informative session on Banana growing, Dragon Fruit, and Hippeastrum. Steve urged all entrants in the Flower competition to read the schedule carefully before entering. He also made an appeal to all members to donate a potted plant for sale at the Festival.
